[45c] Airmail Letter Rate to Rhodesia - Basic & Double

When the Imperial Airways' route was extended beyond Kenya in January 1932, the airmail rate to the Rhodesias was set at 45c per ½ ounce and stayed the same until the start of the 'all-up' scheme in 1937. The top cover above, paid at the basic rate, looks deceptive as it appears to have been cancelled by SALISBURY marks dated 13 August 32 - but these are redirection marks applied, unusually, to the stamps. The NAIROBI roller mark, dated 4 August, is faint, so perhaps the clerk was preventing any chance of fraud! The lower cover, cancelled at NAIROBI on 6 April 32, is paid at double rate and has reached Bulawayo on the 9th.

EAST AFRICA AND UGANDA TELEGRAPHS.

33

If the accuracy of an inland telegram is doubted, repetition can be obtained on payment of the full original cost of its transmission, subject to a minimum charge of 100 cents for plain message telegrams, and 100 cents for a day or night telegram, any fraction of a cent being charged as one cent. Repetition of telegrams from the East Africa Cable Office can also be obtained on the same terms. The repetition of telegrams from the office of origin is, however, subject to special rates which can be ascertained on enquiry at the Telegraph Office.

Dear mum & Dad  
 Hope you are both  
 well. The weather  
 here is really good,  
 mum you would love  
 it out here, because  
 there is so many  
 sorts of plants. It  
 took us a few days  
 to get used to the

## EAST AFRICA : Postal Rates

Airmail services were disrupted in June 1940, when routes over the Mediterranean were closed after Italy's entry to the war. Even after an alternative air route had been established via West Africa during 1941, capacity still fell well short of what was needed. One way of reducing mail loads was to use light-weight paper that was pre-printed and folded to form what were called air mail letter cards (AMLC). Until 1944, these were available only to forces personnel and could be used in East Africa from 11 August 1941. A variety of different designs were produced - two types of which are shown.

[25c] Wartime Airletter Rate - Forces

The rate payable was 25c and most types had to have stamps affixed - as shown on the example on the left, routed via APO 2 in Nairobi on 25 May 42 and bearing an RAF Type R10 censor mark. Above is a type first issued in October 1942 - printed in South Africa in pale blue ink on flimsy pink paper. This example is from a batch pre-printed with a 25c Kenya & Uganda meter mark. This AMLC bears a poor RAF Type R11 censor mark and has been sent on 5 March 43, via APO 83 in Mombasa, by a Pilot Officer in 209 Squadron. This was based, from June 1942, at Kipevu and was equipped with Catalina flying-boats.

EAST AFRICA : Postal Rates

[4s70c] Wartime Airmail Letter Rate to the USA

By the end of 1943, trans-African routes had become well established - with BOAC operating several direct services each week between Egypt and West Africa. It became possible to reduce the trans-Atlantic airmail rate from East Africa to the USA and, from 15 December 1943, this became 4s70c per ½ ounce. The above cover, cancelled at NAIROBI on 18 September 44, has been paid at this rate and has been endorsed, "VIA KHARTOUM & LAGOS", as Khartoum was the point of intersection for the BOAC Empire ('Horseshoe Route') service and the Trans-African services, and Lagos was where the connection was made with the Pan American Airways' FAM 22 South Atlantic route - on which the letter would have been carried, via Brazil, to Miami.

Lieber Wirtelbrüder!  
Meine Grüße & Genüßwünsche zu meinem  
Geburtsfest fallen mir sehr erfreut.  
Ihre herzlichsten Dank dafür.  
Ich darf Sie in einer vortrefflichen  
Gesellschaft von Kreuzzugern sehen,  
die alle an einer Aufgabe & Arbeit  
verbunden sind. - Unter meinen Hoffnungen  
ist noch ein Mitglied Bruder v. Hagena (Haller?)  
der nun meine Schwager geworden ist.  
Wir sind den Vätern sehr. Grüße & bei meinem  
Dankbaren Gedenken Wirtelbrüder.

Liebe Eva,

Zu Deinem Geburtstag meine allerherzlichsten Glückwünsche. Von Mutti hörte ich, dass Ihr schon in dem neuen Haus wohnt. Deine kleinen Steingarten-Ableger sind fast alle angegangen und freuen mich sehr. An Dieters Geburtstag habe ich natürlich nicht gedacht. Grüss ihn bitte herzlich und sage er möchte es nicht übel nehmen. Draussen steht der Kaffee in weisser Blüte und verbreitet einen wunderschönen Duft. Der Blüte nach wird es wieder eine gute Ernte geben. Die Preise sind in diesem Jahr entgegen verigem Jahr auch in London wieder gut. Nur herzliche Grüsse an Dich und Dieter Dein
